Dear Harold,

What distinguishes you from many researchers is that you seek the objective truth about Nov. 22/63. The West Coast group wants a political truth. "One example. Tackwood's "tapes" were edited to delete all reference to "leftist" rip-offs, betrayals and murders. Mae, Freed, Turner et al assume a position of "For The Good of The Cause" we must cover this up. Is The W.C. any different?

Furthermore, Mae, Krassner and that clique deal in non-facts and mis-information to the extent that they do the pragmatic work of agents. "Crazy people who engage in counter-productive acts

become in fact "agents".

"Kennedy was framed at Rappaquidditch". The standard line. Sprague, Mae, Cutler etc. all allege this without any supporting data.

"Boggs was murdered. Forget the "facts"! We have our own!"

The "Cabal Concept" of Prouty and Sprague leaves the question: Of "The Cabal" controls everything why not assume they control Sprague and Prouty as well?

On this gestalt no ordinary explanation of any event is valid. History is a conspiracy of mechanistic forces. This analysis is illogical, unsubtle and ultimately insane. Why establish facts to fit a puzzle when its pattern is "known"?

And so it goes.

Sincerely,
